

Welcome

Welcome to Round 4. As you will see from the *Diary Dates* listed to the right the finals are fast approaching.

This is the final round for Senior division. Congratulations to all Senior students who have participated this season and I hope to see you at the upcoming finals.

Debate Format Reminder

Round 5 is the One Card Format Debate for Year 9 and Short Preparation Format for Year 10.

One Card Debate Rules for Year 9 Round 5

1. A **One Card Debate** is a prepared debate in which each debater may only use one card. The aim of this format is to encourage debaters to speak more from "dot point" notes rather than to write out their entire speech.
2. The card must be no larger than a standard index card (3 inches x 5 inches).
3. Small or cramped writing is not to be used. A minimum of 10-point type or handwriting equivalent to be used.
4. Speeches should not be memorised.
5. Only one side of the card may be used for the prepared speech. The other blank side may be used for rebuttal. No additional rebuttal cards are permitted. The only exception is First Affirmative who may fill in both sides of the card before the debate.
6. Speakers are permitted to use additional notes/paper at their tables but only the single card can be used when speaking.
7. **The Adjudicator will ask for the card to be shown before the debate begins.**
8. Speaking times for One Card debates are as for Prepared Debates.

Short Preparation Rules for Year 10 Round 5

1. A Short Preparation Debate is a debate in which teams are given the topic 90 minutes before the scheduled debate. The topic will be released in a central area and then teams will move to allocated preparation rooms. Debating rooms and preparation rooms are usually different and this information will be provided on the evening.
2. A maximum of 5 team members can participate in the preparation and an adult can help with short preparation for Year 10.
3. Students are permitted to have access to electronic devices such as laptops, tablets and other internet-enabled devices during the preparation time unless advised otherwise by Debating SA. Teams are responsible for organising their own internet access. Printing facilities are not available to students.
4. To preserve the integrity of the preparation process, students are not permitted to communicate with non-team members during the preparation time.

Administrative Officer

Crazy Hair Round Winners

Congratulations to the 2019 Crazy Hair Round Winners who appear on the next page. The standard of entries was once again outstanding, and it is unfortunate that we are unable to acknowledge all of the fantastic entries with prizes. **Prizes can be collected from the Information Desk.**
